

KAROONDA AND DISTRICT HISTORICAL SOCIETY EXECUTIVE COMMITTEE MEETING HELD AT PIONEER PARK ON MAY 20 2018 at 2pm.

PRESENT: D Roberts, J Cooper, E Kerr, D Cheriton.

GENERAL BUSINESS:

D Roberts informed us that the Historical Society money will not be carried over into the following year and it was important to carry out the following works whilst there was still money available.

It was resolved to:

Purchase a 22 500 litre tank to catch water from the new shed roof, and associated fittings in this financial year.

Put safety fencing around the railway platform to prevent children from jumping off.

Put 3 whirlybird ventilators on the roof of the shed to keep it cooler in the summer time.

Discussions were also around the plans for layout of the displays, general tidying of the area and the success of the Open Days with some 25 to 30 visitors. It was agreed that we need to do more promotion of the days particularly to our local community.

Meeting closed at 2.30 pm.
