Masks MUST Be Worn

J Radloff
Secretary

Published by the Mallee Business Association

Christmas is fast approaching, and we look forward to all families gathering, and celebrating. We hope the COVID shroud will not affect any of these happy occasions.

Being mindful we need to continue to be vigilant for close contacts that may be visiting our community in the coming months, to continue with Mask Wearing (even though we have had enough) using hand gel as we enter our business's, and of course checking in, this may cost yourself and the business dearly. We may also end up with some disruptions if these businesses are forced to shut down for short periods, which will have a huge impact financially, if this does occur. Continuing to support local business's during these times will be appreciated very much.

On the lead up to Christmas and on behalf of the Mallee Business Association, we wish you all a very Merry Christmas and stay COVID safe in the New Year.

Main street businesses

Hard-working members make good use of the craft shops cappuccino machine on a break!

Work commenced on the 13th of October on a bright new look for the Karoonda Community Craft shop.

Members of the shop were working to clean the facade and fill cracks, prior to a fresh coat of paint being added on the 19th.

A new sign will also be added to the front of the shop in 2022.

The craft shop building also

houses Gloss Hair by Abi, and is one of a number of local businesses receiving support from the District Council of Karoonda East Murray to improve their street presence through the Karoonda Business Incentive.

Sonya and Kaye were on hand to oversee the installation of new signage at Mallee Country Connection on the 19th of October.

The Karoonda Post Office will also be undergoing a further revamp to the facade, in the new year, following on from developments already undertaken.

Accessibility was the name of the game earlier in the year, with council works seeing footpath ramps included to the doors of local shops, so that patrons can step right into the stores, without having to mount any steps.

Cathies Café was the first to complete work through the councils business incentive, receiving a fresh coat of paint as well as new signage *Rebekah Crisp*

We have completed a COVID safe plan and it will be available at the gym. It is crucial that the plan be adhered to and it will be monitored regularly.

Key points to remember are

- Maintain social distancing - 1.5m
- Stay home if you are at all sick or showing signs of illness
- No more than 15 people in the gym at a time.
- Take your own towel and it must be used on all equipment
- Wipe down equipment before and after use
- Sanitise hands regularly

We would like to see our gym stay open and it is important that the Covid safe plan is followed to ensure this happens.

The Greatest Gift

The pageant has been, the shops sound the melodies of carols, decorations adorn the aisles and Christmas movies start to appear on our screens. The signs are all there, it is nearly Christmas.

Do we need some sparkly new decorations for the tree this year? What will we have for Christmas lunch? Who will we see on Christmas day? What gifts do I need to get? No matter how simple we try to make the day, there is so much to think about. Whether positive or negative, it all costs us in some way. Is it our time, our effort or our money?

At Christmas, as Christians gather to hear the account of the birth of Jesus, they come together not for the glitz and glamour of the season. They gather to hear of the gift they have received from God the Father. The gift of His Son Jesus, sent to earth as a baby to live as one of us while still being God. In the quietness and stillness, they hear of a miraculous birth planned from the beginning of creation. A plan to save people from their sin so they may live with Jesus in heaven forever. A free gift for each and every one of us. It cost us nothing, but it cost God everything.

That is one gift that can never be matched. A gift of love freely given by the grace of the heavenly Father. Purchased by the blood Jesus shed on the cross. Alive and growing by the goodness of the Holy Spirit. And it is yours. Free. It started with a baby in a manger. Humble beginnings for the greatest gift the world has ever known. A gift for you.

For to us a child is born, to us a son is given, and the government will be on His shoulders. And He will be called Wonderful Counsellor, Mighty God, Everlasting Father, Prince of Peace. Isaiah 9:6

Submitted by Tracey Woidt on behalf of the Lutheran Churches of Tailem Bend, Karoonda and Buccleuch, served by Pastor Tony Traeger.

Thank You

On Thursday 25th November 'Girlie' Henriksen was formally laid to rest in the Wynarka cemetery in the presence of family and a number of local identities including Council CEO Martin Borgas. The service was led by Don Loller a local lay preacher from Karoonda.

'Girlie Henriksen' was the Granddaughter of John James Chenoweth and Sophia (nee Hunt) who farmed in the Wynarka area in the late 1910's.

'Girlie', who was unnamed at birth, was the second child of Haakon Daniel Henriksen and Alice (nee Chenoweth) and born on the 25th November 1921 but tragically lived for only 4 hours. It was always thought that 'Girlie' was laid to rest at Wynarka but Council records do not support this. A diary entry of a (later) Aunt supports the fact she was laid to rest in the Wynarka cemetery.

Great Grandchildren of John and Sophia have erected a memorial in the Wynarka cemetery to ensure that she is not forgotten.

The family would like to thank CEO Martin Borgas and Don Loller for their support in achieving this goal.

FESTIVE FUN IN

Karoonda Community Christmas Pageant

Kids and adults alike enjoyed festive celebrations at Karoonda Football clubrooms on Sunday 28th November. Starting from 4pm, young ones enjoyed music, face- painting and rides on the tractor-drawn 'sleigh'. The highlight of the afternoon was, of course, the arrival of Santa Claus, who made quite the entrance to the flat bed of an enormous truck, escorted by the police car! Santa and his helper had time to stop for photos and distribute gifts, before they had to head back to the North Pole.

A fabulous selection of festive prizes were donated by local businesses for a successful raffle, and more than 20 festively decorated bikes were entered into the contest.

KAROONDA AND DISTRICT HISTORICAL SOCIETY

Pioneer Park continues to be a popular place to visit particularly by the many visitors who have been staying in the town. Unfortunately, we cannot leave buildings open all the time but do make it known that buildings are open on working bee days. A small band of volunteers keep chipping away at the jobs to be done. New shelving has been installed in the container and the contents sorted, displays have been added and mounted properly on walls, and interpretive signage in the machinery shed has

been rejuvenated painstakingly by one of our younger members. We welcome anyone who would like to come and help our volunteers particularly with the jobs requiring specific trade skills.

We appreciate the contribution that Council has made to the development of the park with the installation of the toilet facility, pathways throughout the park and delivery of bark chips.

The telephone exchange display has been completed and has had a visit from former telephonist Mrs Fay Barr who worked in the exchange until she married and then part time later in her life. She also worked at the GPO in Adelaide in the trunk exchange which was located in a corrugated iron building separate from the main exchange. The manual exchange in Karoonda went automatic in 1988 but until then a telephone call was made by an operator using a cord with a plug at each end. As a caller rang in a small shutter would drop to reveal the **caller's number**. '**Number please**' the operator would say and take one end of the cord and plug into a socket (jack) corresponding to the number. The exchange operated 24 hours a day with three shifts. Local calls were not timed but had to be recorded for payment and trunk calls were timed. '**Three minutes are you extending?**' Dockets were written out by hand for these calls.

Trish and Steve Binney have donated an old school desk and two Pullman chairs which were used by the Commissioner of Railways in the railway carriage in which he travelled whilst visiting country areas. These have been placed in the Railway Museum carriage and shed.

The altar from '**All Hallows**' Anglican Church and on loan from the Diocese of the Murray, has been placed in the Wynarka Church Museum. The Confessionals from the Catholic Church are also on display.

Meetings will now be held on the fourth Tuesday of the month in the Institute meeting room.

Working bees are advertised. We do go into a harvest recess over December and usually resume our meetings in January and organised working bees in February.

We would like to thank everyone for their efforts throughout the year. We wish you all a safe and joyous Christmas and look forward to life returning to some sort of normality in 2022.

A CHRISTMAS PROMISE

Christmas comes but once a year,
And no matter what they say.
You can find God ever near,
Each and every day.

He makes the sun to rise and shine,
Hears every word of yours and mine.
Just keeps on giving all the time,
Oh what Love ; so Divine.

Thank you Jesus , for your Love,
Brought down from Heaven, from God above.
There is nothing you can do,
To stop our God from Loving you.

Poetry Corner

Beside the mighty River Murray
Peace and tranquillity reign
The only sound in the silence
The cockies constant refrain.

Just to sit and ponder
Life's perplexities
While gazing across the river
Full of diversities.

There's a special kind of magic
This river seems to bring
To the lives of those it touches
As they sit and talk and sing

When it was used for lively trade
And steamers plied the waters
Proud captains and their pretty
wives
And strapping sons and daughters.

And now it's mostly leisure things
That bring the people back
Boating, fishing, swimming, skiing
Of that there is no lack.

Warm, balmy sunny days
Keep the magic alive
With a gentle breeze, through the
trees
Hearts and souls revive

Being part of Smokey's crew means staying bushfire safe!

- ✓ Make sure your family has a Bushfire Survival Plan and Home Fire Escape Plan.
- ✓ Ask your carers where you will go and what you will do on Fire Danger Days.

And remember Smokey's safety rules:

- ✓ If the house is on fire, get out and stay out
- ✓ If there's a bushfire, shelter indoors
- ✓ When the room fills with smoke: get down low & go go go
- ✓ If your clothes catch fire: stop, cover, drop, and roll
- ✓ If you see a fire, tell an adult
- ✓ In an emergency, dial 000
- ✓ Fire fighters are our friends
