

Karoonda Community Garden

STAGE 1 - ENGAGEMENT

The Year 7-9 Pastoral Care group from Karoonda Area School is proposing to start a new Community Garden on Council control land on a portion of Pioneer Park, East Terrace.

The District Council of Karoonda East Murray is seeking consultation from the community to seek feedback to:

- **Determine support for the garden at this location.**
- **Seek local knowledge and perspectives to include in the garden design.**
- **Understand any concerns from the community and seek to address these.**

The proposed location of the community garden is within Pioneer Park, reinvigorating this space. Community garden users will access the garden via the existing carpark.

Basic concept feedback and community engagement

18 September 2026	Consultation opens (location and possible design features)
09 October 2026	Consultation closes (21 day period)
To Be Advised - anticipated October Council Meeting	Present community feedback and basic concept design
To Be Advised	Implementation phase begins
