What Previous Attendees Said...

I COULD NOT RECOMMEND IT HIGHLY ENOUGH. I'M EXCITED...

"This program is absolutely fantastic. Its very challenging and will definitely test your mind, which is something that I struggled to grasp. I think I'm really good at the day-to-day tasks in my business, but the implementation, the planning, and the stuff away from the business - they really challenge us on that. I'm leaving here knowing I'm going to make some serious changes, which I believe are going to be very beneficial to my business. So yeah, I could not recommend it highly enough. I'm excited."

- Cameron England, Sheep Farmer

I AM SO HAPPY I ATTENDED, I GOT SO MUCH OUT OF IT...

"When I booked this - I really didn't know what to expect but I am so happy I attended! I got so much out of it, but the take home message for me was to set goals and focus on doing what you want to do. This is what I want to be doing, making those changes and not being fearful of making them. I thoroughly recommend anyone who is thinking about attending this to come!"

- Lachie Bell, Mixed Farmer

IT'S HUGE FOR BUSINESS DEVELOPMENT AND PERSONAL DEVELOPMENT...

"I would say there are so many benefits. I just don't think anyone should be concerned about getting into an event like this; it's huge for business development and personal development, which is an ever-evolving thing. It's about having a good, hard look at what's going on within the business and the planning (putting down on paper 1, 5 and 10 year goals) is extremely important. It just gives you some clarity on what you're doing personally and in the business; knowing where you're going and where you're at."

- Rick Morris, Sheep Farmer

Karoonda Silo Art Officially THE BEST Public Art in Australia

Karoonda's Silo Art has taken out the top gong at the Australian Street Art Awards, a national art tourism program.

After being announced the Gold Winner in the Best Mega Mural category at the 2020 Australian Street Art Awards on Queensland's Sunshine Coast last night, Karoonda then went on to win the **very top gong - the 2020 Best of the Best Award**.

The Best of the Best is handed to the nominee that impressed the judges the most, as determined by the highest cumulative score from all category winners.

Karoonda nudged out Flinders Ranges Council's *Quorn Silo Light Show*, which took the Silver Award in the Best Mega Mural category, and Bronze Winner, Yelarbon Graincorp Silo Art, nominated by Queensland's Goondiwindi Regional Council.

The Australian Street Art Awards encourages Australians to explore the world-class street and public art that is safely accessible all year round and found in every corner of the country.

With rigorous judging by tourism leaders from across Australia and abroad, plus second-tier auditing and due diligence, District Council of Karoonda East Murray's win has the credence of the art tourism sector.

The judges said, "This mural by day and light show by night project is contributing significantly to making Australia a more vibrant, creative and interesting country – somewhere visitors will want to explore more keenly".

Arts tourists from within Australia are high value visitors – they stay 42.8% longer and spend 55.9% more when travelling than domestic tourists overall, according to the Australia Council for the Arts' Domestic Art Tourism: Connecting the Country 2020 Report.

Awards Director, Liz Rivers, added "Australia has a long history of creating superlative public art that captivates visitors. Until these Awards were launched in 2019 though there had never been a way of rewarding and supporting places like Karoonda that created these art-related experiences for travellers".

"The Australian Street Art Awards remedied that shortcoming," she said.

"Public art has now come into its own with the World Health Organisation (WHO) confirming there is less risk of coronavirus infection in open outdoor settings. That makes trips to see outdoor murals, sculptures, monuments and mega pieces like silo art the perfect holiday thrill," Ms Rivers said.

The Karoonda mural was painted by Melbourne-based street artist Heesco Khosnaran, while the digital artworks are managed by the Karoonda East Murray Council and feature themed exhibitions which change approximately once a month.

In commenting on Karoonda's wins, the judges said, "Even though this mural and projection combination is an Australian first, we love that Karoonda did not sit back on its laurels and instead continues to find exciting ways to extend, expand and promote the street art project, such joining the SA Living Artists (SALA) Festival in August".

Other 2020 winners are:

- Best External Mural: Kapunda Lucas Street Mural, Kapunda SA
- Best Landmark Sculpture: 'Language of the Land', Eidsvold QLD
- Best Metropolitan Art: Mindeerup Public Art, South Perth WA

ANZAC DAY PROJECTION ON SILOS

‘BEYOND THE GATES’
23—30 April 2021

The award winning Carpe Diem is a contemporary portrayal of every day Australian males dealing with issues of health, grief, loss and depression.

It stresses the importance of professional care in times of crises, and highlights the importance of mate ship and looking out for each other. Set in a fictional town in inland Australia, Carpe Diem portrays the friendship of Nev, a hard working farmer, and John his stock agent friend. Both, have been impacted by the long running drought, and are each suffering their own personal crisis.

With the rising incidence of depression and suicide amongst Australian males, a project of this nature is germane; encouraging open and honest conversation and increased awareness. Carpe Diem is a didactic comedy designed for work place and community performances to deliver the mental health messages in a way that is entertaining, immediate and highly relevant.

Sound mental health is essential to our daily lives and the ability to function and work is paramount to the health and well-being of work places, families and communities. Carpe Diem is an entertaining look at how friendship and proper care give a man the strength to cope and the tools to carry on.... No man is an island.

KAROONDA AND DISTRICT HISTORICAL SOCIETY

The Historical Society is up and running again after a challenging 2020 with our first meeting held in January and working bee in February. Our main focus continues to be on bringing Pioneer Park up to a point where it can be managed in a sustainable way by a limited number of volunteers.

This year we are aiming to complete the displays in the shed and are moving the old telephone exchange from the railway carriage in to this shed. Other projects are to repaint Hood's House and pump shed, build the fence on the northern side of the park, better protect the railway carriages, clear out carriages and use the space for displays and dispose of excess items in a sale later in the year. We welcome any time and expertise that anyone can give to any of these projects.

Congratulations go to President Denis Roberts on being awarded the Australia Day Citizen of the Year Award for the time and effort he has put in to Pioneer Park and other community groups. The Karoonda Traders Group ran a very successful Christmas Party at the Park in December and our congratulations go to them on winning the Australia Day Community Event Award.

Meetings continue to be held on the third Tuesday of the month at 7.30 in the Council Chambers with new members always welcome. Working bees are held as needed.

Please note that offices become vacant this year at the AGM in May.

The tip dray, Federation fertilizer spreader, first fire-fighting unit and railway trikes are all now housed in the shed. The dray and spreader had shafts removed and replaced with drawbars when tractors replaced horses. These are a few of the many early machines in the shed.

We will be opening up the buildings for inspection on working bee days.

“RED NOSE DAY” 19th March

“SAY THEIR NAME DAY” 25th March

Red Nose is here for Australian families. We help save little lives through research and education, and support families affected by the death of a baby or child.

Every dollar raised helps to fund research, support families and save little lives.

say their name day 2021

When a baby or child dies, life as we know it stops – for parents, families and their wider communities. This pain cannot be fixed, only carried. What makes this pain lighter to bear is often the simple acknowledgement of this reality from those who matter.

Saying a baby or child's name alongside those who loved him or her is a powerful act of kindness and acknowledgement that requires no special knowledge or experience.

WHEN

25 March 2021

Say Their Name Day is a day for the whole community to demonstrate that every little life matters and deserves to be celebrated, and that bereaved families are deserving of all the support we can give.

Name by name, we're helping to break the stigma that prevents families from seeking support to help in their healing, in finding hope for the future, and in coping with their new “normal”.

Red Nose and Sands are proud to bring you **Say Their Name Day in 2021** – a new campaign to help raise awareness of pregnancy, baby and child loss and to raise much-needed funds to ensure that every grieving family has access to the support they need for as long as they need it.

Join us March 25th and together we can remember every little life and support bereaved families.

YOU ARE FOUND

So many times, we can find ourselves lost. Sometimes it is in a new place. Sometimes it is in a familiar place. Sometimes it is when we are alone. Sometimes it is when we are surrounded. Sometimes it is when our head is spinning, and we can't make sense of anything. When it all seems hopeless and there is no finding a way- you are found.

In the craziness and chaos of this world you are found. In the calm and quiet of this world you are found. In the normality and everyday hum drum of life, you are found. You are found by Jesus.

God and man nailed to a cross. For you.

God and man dying your eternal death. For you.

God and man taking on the sin of all the world. For you

God and man showing His love in a way that no one else ever can or ever will. For you.

God and man making the way to eternal life in heaven with Him. For you.

All for you. Because no matter how far you wander or stray, He is always there. Because no matter how many times you try and avoid Him, He is always there. Because no matter what others see in you, or you see in yourself, He is always there. And His love for you is unconditional. You matter because of what he did on that cross. That was where he displayed it for all time. A radical way to offer eternal life for you. A radical way to show the world what you meant to Him. But that is Jesus. All the way, all in, all the time. For you.

And He found you even when you didn't know you were lost. You are found at the foot of the cross where you realize that looking up at Jesus nailed there for you, that there has to be more to it than some man just hanging there. There has to be some purpose in it all. That purpose is you. At the foot of the cross where you question and search throughout life, where you struggle and cry through life, where you seek and are lost...at the foot of the cross you are found in Jesus. Because the cross shows you who, what, when, where and why. You.

But it doesn't stop there. Because when he rose on the third day, he made a declaration of victory over death. It hasn't held Him and it won't hold you. If you believe. It will cost you nothing because it cost Jesus everything. And He did it all for you.

For Christ also suffered once for sins, the righteous for the unrighteous, to bring you to God. He was put to death in the body but made alive in the Spirit. 1 Peter 3:18

WE NEED YOUR HELP

The CFS is a volunteer based fire and emergency service dedicated to protecting life, property and environmental assets in regional South Australia.

Numbers of volunteers in the **Karoonda CFS brigade** are not strong at the moment and we are looking for more volunteers.

If you are interested in helping protect your community and are prepared to give some of your time, we are interested in hearing from you.

We have certainly had a hot summer and need more volunteers, it's a good time to join, do some training and be ready for next summer's fire season.

Please contact any of the following for more info:

Leanne Kruger Ph 0427 858 736, Russell Norman Ph 0427 781272,
Paul Hoff Ph 0427 781322, Glen Lawn Ph 0417 884819,
or come to the CFS station on a Monday night.
