- Ensure consistency, fairness, integrity and confidentiality for both the Council and the debtor; and
- Assist in the efficient management of Council assets through the timely collection of outstanding monies

2. OBJECTIVES

4. RATES

Rates Debtors shall include all those owing general rates, separate rates, CWMS service charges, waste service charge amounts and any other charge levied by Council annually and issued on a quarterly rate notice.

Arrangements

All arrangements shall be determined on the merits of each individual case. Recovery action for overdue rates will be suspended whilst the terms/conditions of the arrangement to pay are being met.

Each arrangement shall specify the amount of each regular payment and the frequency of which each payment must be made to Council. Payments under an arrangement should be of regular amounts and be payable at regular intervals.

Payment defaults of two consecutive payments (default being either late payment or non-payment of agreed amount) will result in the arrangement being terminated and fines and interest being charged. Recovery action may be taken for recovery of the amount due.

Fines and interest will still be applied to the assessment for the term of the arrangement.

Fines and Interest

If an instalment of rates is not paid on or before the date on which it falls due, the instalment:

- a. Will be regarded as being in arrears;
- b. Will incur a fine of 2 per cent of the amount of the instalment in accordance with Section 181 of the Local Government Act; and
- c. On the expiration of each full month from that date, will incur interest at the prescribed percentage of the amount in arrears (including the amount of any previous unpaid fines and interest).

Overdue Letter/Final Notice

A Rates Overdue letter shall be issued within 14 days after the due date of an instalment to those Ratepayers who have not made satisfactory arrangements. This notice will advise of the outstanding debt (including any fines and interest) and that payment is due by the end of that month.

Final Notice will be issued where two rate instalments and/or greater than \$150.00 remains outstanding, advising that failure to pay or make suitable arrangement will result in the debt being referred to Council's Debt Collection Agency for recovery.

Legal Action

Legal action will be initiated by referring the account to Council's Debt Collection Agency who will send a Letter of Demand to the ratepayer. Council is then to be guided by the Collection agency as to the most suitable form of recovery action.

Once the debt has been referred to the Debt Collection Agency all communication is to be directed to the Agency.

All legal costs and expenses incurred by Council from the recovery of outstanding rates and charges will be charged against the debtor's property assessment.

Sale of Land for Non-Payment of Rates and Charges

Once the legal action process has been exhausted and before any other legal action in terms of Section 184 of the Local Government Act has commenced, Council will:

- a) Obtain a copy of the Certificate of Title for the property;
- b) Advise the Ratepayer in writing of the debt outstanding; and
- c) Contact the Registered Mortgagee to obtain the position of the mortgagee regarding the possibility of refinancing or paying the arrears outstanding. If registered mortgagee advises that this is not an option, then the Sale of Land for Non-Payment of Rates (and charges) process may begin.

Council may proceed to sell the land where any rate or charge is overdue and has remained in arrears for more than three (3) years from the date on which it became payable in accordance with Section 184 of the Act.

Prior to instigating any action, the ratepayer will be given the opportunity to make a suitable payment arrangement in a reasonable effort to discharge the arrears on the property.

A report will be provided to full Council prior to commencement of action for Sale of Land for Non-Payment in accordance with Section 184.

Invoices will be sent for any debt raised providing 30 days for payment. A monthly Statement shall be issued at the beginning of each month. The Statement gives the debtor a summary of the outstanding debt.

Arrangements to Pay

All arrangements shall be determined on the merits of each individual case. Recovery action for overdue debts will be suspended whilst the terms/conditions of the arrangement to pay are being met.

Payment defaults will result in a default arrangement letter being issued with a request to pay any missed payments.

Final Notice

A final notice shall be issued, where applicable, after the non-payment to those who have not made satisfactory payment arrangements following the issue of the monthly statement.

If Council receives no response from the debtor, Council may refer the debt, being over \$150.00 to Council's Debt Collection Agency for recovery.
