This project has been made possible thanks to the Foundation for Rural & Regional Renewal in conjunction with the Sandalwood Hall Small Community Alliance Project

The Marama community have been very busy over several months working on their cemetery project.

They have held a number of working bees and the community involvement has been strong, with their largest turnout seeing some 27 volunteer participants!

Many hands have made light work of the long list of tasks completed including tree trimming, removal of old fences, wire, posts and rubbish. Rabbit burrows have been ripped and filled, fence lines were marked out and fencing and gates have been erected.

It has been a fantastic effort by all involved!!

The Marama community have expressed their gratitude to the Sandalwood Hall committee for being the “umbrella” for this community project

DREAMS DO COME TRUE!

Fingers of light caress the dawn,
Birds announce the early morn.
Water rippling, fish jump high,
thinking they can reach the sky.
Big birds pass, they're a floating,
we're here too; just house-boating.

Big windows what a view,
We're here to say, I love you
Three score years plus some,
With god's help, there's more to come.

So, we celebrate today,
and to you sir, we say,
Well done and thanks for the fun,
'cause now we're on the home run.

Evening comes and stars appear,
mother nature is ever near..

Big bird glides, in the gloom,
Silently past, my little room.

With the dawn, weary and worn,
we pack and berth, on solid earth.
Embrace and run, each our own way,
Maybe we'll do it again some day.

Another prickly invader offering bed and breakfast

The Murraylands and Riverland Landscape Board is urging landholders to control African boxthorn infestations on their properties and roadsides.

Murraylands and Riverland Landscape Board, Murraylands District Manager Kylie Moritz said unchecked infestations could invade cropping areas and bushland, provide shelter for foxes and rabbits and a home for fruit fly.

"A coordinated effort last year controlled African boxthorns from more than 800 kilometres of roadsides and 100 kilometres of railway tracks throughout the region. We now need to follow up and control any new plants or re-growth," she said.

"Many plants will be looking green and healthy, which is the perfect opportunity for control while the plant is actively growing.

"Herbicide application by foliar spray, or to the freshly cut stump or mechanical removal of the plant with machinery are all successful control techniques.

"African boxthorn is considered a secondary fruit fly host. The small red berries it produces are a welcome home for the devastating invasive fly.

"While African boxthorn may not be the first choice of fruit, it can provide a refuge for fruit fly and aid them in persisting long enough in our landscape to invade other fruit crops.

"Landholders can do their part in the fruit fly fight for our region by controlling any African boxthorn plants they find on their property or roadsides."

Ms Moritz said district officers were keen to work with landowners to develop a plan to manage boxthorn on their property.

"We encourage landholders with boxthorn problems to give us a call and discuss the issue so we can provide advice and expertise to help them get on top of the problem," she said.

African boxthorn is a declared pest plant, and landowners are required to take reasonable control measures on their properties and adjoining roadsides under the statutory obligations of the *Landscape South Australia Act 2019* (the Act).

For advice on identification and control options or assistance with other pest plant and animal issues, please contact the Murraylands and Riverland Landscape Board office at Murray Bridge phone: 8532 9100 or Berri phone: 8580 1800 or visit the website www.landscape.sa.gov.au/mr/pest-plants-animals/pest-plants for weed identification and information fact sheet.

This program is supported by the Murraylands and Riverland Landscape Board through funding from the landscape levies.

National Volunteer Week 17-23 May 2021 is the perfect time to recognise and celebrate the enormous contribution that volunteers make to looking after the beautiful landscapes of the Murraylands and Riverland.

Murraylands and Riverland Landscape Board Chair Dianne Davidson AM said volunteers are critical in protecting and restoring our environment.

"Local volunteers are involved in a wide range of activities including planting native vegetation, controlling weeds or feral animals, managing wetlands, protecting threatened species, supporting sustainable production and getting involved in citizen science. Our region would not be the amazing place it is without these dedicated, hardworking and generous people," Ms Davidson said.

To show its appreciation for local volunteers and celebrate their outstanding achievements, the landscape board is hosting volunteer celebrations at Overland Corner and Murray Bridge.

"We're looking forward to bringing local volunteers together to celebrate all the work they do, network with each other, and meet members of the landscape board."

For more information about the upcoming volunteer celebrations or to find out about other volunteer support and opportunities available through the Murraylands and Riverland Landscape Board, please contact Miranda Leckie on 0438 457 367.

KAROONDA AND DISTRICT HISTORICAL SOCIETY

It has been a busy three months with work continuing on the following projects.

- ♦ Building of a fence on the northern side of the park, using recycled fencing from the playground in the main street.
- ♦ The manual telephone exchange has been moved into the new shed and set up in its own display area.
- ♦ More items have been put on display in the shed.
- ♦ Installation of power in the shed.

The AGM was held in April and the new office bearers are as follows:

- | | |
|----------------------|----------------------------------|
| • Chairperson | Andrew Radloff |
| • Deputy chairperson | Gerry Paay |
| • Secretary | Elizabeth Kerr |
| • Committee members | Russell Norman,
Denis Roberts |

We thank Denis Roberts and Justin Cooper for their efforts as Chairperson and Deputy Chairperson over the past six years.

We provided two items of machinery for the Farm Fair display - the Jones Baler donated by Bruce and Dionie Kerr and the Case 500 tractor donated by the late B Gowling and R Gowling

The Jones baler is now placed in the machinery shed. These balers were made by a well-known Welsh firm of agricultural implement makers and went all over Europe and as far as Australia. It is said that even HRH Queen Elizabeth bought and used a Jones baler.

Several groups have visited the park during May as part of a visit to Karoonda, these being the Friendship Force from Murray Bridge and the Murray Bridge Auto Collectors Club. Many visitors from the caravan park visited the park as well.

Meetings are held on the third Tuesday of the month in the Institute Meeting Room and new members are always welcome.

We welcome community members at working bees as there is still much to be done.

About the Not-for-Profit Treasurers' Awards

Not-for-profit treasurers have to get the basics right. There's no room for flimflam, big talk, or massaging the figures. The money just has to be there - or everybody misses out. We owe treasurers a lot.

Most treasurers are untiring, painstaking, and efficient. They work long hours without asking for thanks or recognition. They keep the group afloat.

Every community organisation understands how much they owe to the person who keeps track of the finances. But they don't often tell them so. Our Community and the Commonwealth Bank and their Not-for-Profit Sector Banking team believe Australia's treasurers deserve some recognition.

The Commonwealth Bank Not-for-Profit Treasurers' Awards are designed to provide that recognition. The winners of the Not-for-Profit Treasurers' Awards are announced at a gala event held during Not-for-Profit Finance Week.

Key Dates

Nominations Open: 12.00pm AEST, Monday, May 17, 2021

Nominations Close: 12.00pm AEST, Thursday, July 8, 2021

Winners announced: During [Not-for-Profit Finance Week](#), 9-13 August 2021.

SCHOLARSHIPS FOR AUSTRALIAN PRIMARY PRODUCERS

Nuffield Australia is known as the country's leading agricultural scholarship organisation.

It is a unique program that awards primary producers with a life-changing scholarship to travel and study an agricultural topic of choice.

For 70 years, Nuffield Australia has built capacity for individual producers, their businesses and the agricultural industry more broadly.

Scholars are selected annually as people who are committed and passionate about farming or fishing, are at the leading edge of technology uptake and potential future leaders. Scholars continue to be involved with Nuffield after they complete their final reporting commitments and along with investors, make Nuffield one of the most influential agricultural networks in Australia.

Apply in 2021!

To be awarded a 2022 scholarship, an application and interview process is held in 2021 and the program commences in 2022. **Applications will open for 2022 scholarships on Monday 24 May.**

Become a Nuffield Scholar

Applications for the 2022 program will open on **Monday 24 May 2021.**

We urge farmers with a desire to drive their knowledge and businesses forward to consider applying. There will be approximately 15-20 Scholarships on offer, each valued at \$30,000.

- It has been a period of change, impacting global economies and changing agricultural markets
- There is no better time for proactive agriculturalists to consider a Nuffield Scholarship to understand the post-COVID world
- Nuffield has been committed for 70 years to deliver valuable scholarships, particularly through periods of change
- Nuffield's global network is what sets the program apart, enabling scholars to learn firsthand how other businesses are tackling global issues and barriers

The Benefits

- To research a topic that you believe will add value to the Australian agricultural industry.
- Become a member of Nuffield to promote agriculture and related issues.
- Become a member of a worldwide, unique network of more than 1,800 scholars, who have enjoyed the scholarship experience.

Nuffield Scholars are part of a select group of innovative, free thinking people. After the study, scholars produce a written report and communicate the new knowledge and experience to others in the industry.

Nuffield Scholars are scholars for life. There is on-going communication with our alumni, plus events, workshops and the chance to be involved in additional learning opportunities.

“ FACES AND PLACES ” - SIMON MARTIN

Many of you would recognise this familiar face, for others this is the youngest of our Elected Members.

Simon lives on a farm in the district with his wife Kylie and three children Ravi, Macy and Jai. Simon is a third generation farmer and spends most of his time working on the family farm.

When he is not busy doing that you'll find him in the 'ninja barn'. An old shed on their property turned into an all time ninja dream for him and his kids to burn off their energy.

On weekends Simon likes to compete in the Australian Ninja Games which has taken him all over the Country.

If you see Simon out and about be sure to say g-day!

Karoonda Op Shop marks 30 years of service

Thanks for the Memories

What a varied display there was of memorabilia from the last 100 years or so!

An inspired thought brought together a number of wedding gowns dating back to 1925 and Christening gowns which vied for top honours, both originating in the 1890's; one handmade in Ireland specially for the occasion!

All this and more for the large group gathered for the Show and Tell given at the Op Shop celebrations on Friday 7th May 2021 to mark 30 years of service in the Karoonda district.

Back when the farming community was doing it tough, our foundation member Carlene Schulz was mindful of the need to provide shoes and clothing at reasonable prices for needy families and so the Karoonda Op Shop was born in May 1991.

Like minded women from each of the four Christian Churches formed a Committee and volunteers were more than ready to help in any way. Today we still have the reputation for providing goods at reduced rates.

However, the day was tinged with sadness as it was the last official duty of our President Carlene to cut the cake and move a vote of thanks to all for their support thru' the years.

Carlene and hubby Neville will be moving to Murray Bridge at the end of the year and we thank them both for their service to our Op Shop for the last 30 years.

Our blessings go with them.

Secretary
