See District Council of Karoonda East Murray Parklands schedule

2. If yes, what is the nature of the trust etc?

See District Council of Karoonda East Murray Parklands schedule

Purpose for which land is held:

The Parklands in our outer district areas are in the main, no longer utilised for community purposes.

Council and the community will need to decide in the future as to possible other uses of the land. Other options that may be considered could be to return the land to the Crown.

Council may enter in lease or licensing arrangements with third parties for the land to be used for grazing and/or other low impact agricultural purposes.

Reason why Management Plan Required:
